

Wallpaper Request Form

Thank you for your interest in my wallpapers. I can create nearly any wallpaper you would like. I just need some information to create your wallpaper. Please provide the following info.

1. Which style of wallpaper would you like? (see descriptions under each example)
2. Which team(s) or league do you want?
3. What screen size/resolution do you need? This is very important to maintain details. (On your PC, right-click on your desktop and select "Properties", click on "Settings" tab, under Screen resolution, find the resolution 1024x768, 1280x800, etc...)
4. The examples you see are basic versions of each style. Styles and helmets can be mixed and matched and customized to your tastes. If you have any special requests on the wallpapers (background color, logos, etc...), please let me know.
5. If you have any ideas for wallpapers that you don't see, I gladly take requests and will try to create yours exactly like you want it.

Please provide this info when you request your wallpaper to make sure you get what you want.

Send all requests to me at mandalorian2k@hotmail.com.

I'm glad to do requests for wallpapers and do not charge for them. However, if you would like to donate to the site in return, that would be greatly appreciated

Mike
